Mr. John Bryant
General Manager, Aquaguard
6820 Distribution Drive
Beltsville, MD 20705

Dear Mr. Bryant,

We would like to extend our appreciation for working with us to install a French drain for one of our homeowners in Washington, DC. The considerable discount Aquaguard provided for the work helped us to serve a homeowner in a way we would not have been able to otherwise.

Additionally, we received a letter of thanks from Mr. Jenkins, who wanted "to send a special thank you to the crew" who was "very kind and courteous." He also noted that the work completed has changed his quality of life.

Rebuilding Together DC Alexandria is an affiliate of a national nonprofit that provides free home repairs and accessibility modifications for seniors, veterans, and individuals with limited incomes. By improving housing conditions, we hope our clients are able to stay in their homes and remain active members of their neighborhoods. In this instance, our client Mr. Jenkins has lived in his home for 40 years, and will now spend many more without the worry of his basement flooding when it rains.

We appreciate your support of our mission and look forward to your continued involvement with Rebuilding Together DC · Alexandria.

Sincerely,
